

# Cumberland Avenue Intersection Improvements Project

**Project Description:** The Cumberland Avenue Intersection Improvements Project undertakes the replacement of traffic signals, curb cuts, and crosswalks at the intersections of Cumberland Avenue and Eleventh Street, Thirteenth Street, Circle Drive, and James Agee Street. Enhanced street lighting improvements along Cumberland Avenue between Sixteenth Street and Phillip Fulmer Way and James Agee Street will be included in this project. This project will include mast arm poles, pedestrian improvements, data probing vehicle detection capabilities, emergency pre-emption detection, and decorative crosswalks. These improvements will match the aesthetics of the recently completed Cumberland Avenue Streetscapes Project between Alcoa Highway and Seventeenth Street.

## **Schedule:**

Bid Opening: April 17, 2019

Notice to Proceed: July 29, 2019

Contract Completion Date: May 23, 2020
